Worship through Doxology

One of the supreme orators of our time, Pastor Mason is a gifted, anointed, courageous, and exciting visionary leader. He is known for his relevant teaching style and his focus on practical application in people's lives. His humor and unique optimism brings a refreshing and true interpretation that stimulates the mind and stirs the spirit.

Each week Pastor Mason delivers his message on how to become successful in every area -- spiritually, emotionally, physically and financially. He challenges and equips his congregation, and others, to fulfill their potential and live their purpose. He often states, "My job is not to preach where you are but to preach where God wants you to be." His church family appreciates him for being approachable and accessible through many facets of communication. And Pastor Mason enjoys witnessing the explosion of talents and the expansion of the ministry.

A native of Cary, North Carolina, Pastor Mason has experienced extremes in his life which have helped shape him into the vessel he is today. He studied at Shaw University and Apex Theology Seminary; and since April 2008, he has pastored Greater Love Worship Center.

Through his sequence of humanitarian works, Pastor Mason extends a hand to the needy, possesses a heart of compassion for the hurting and delivers a message of inspiration to the deprived. He lives and serves with a passionate and purposeful desire to empower minds and witness lives being transformed.
