GRIEF SHARE

7:00pm Thurs. until Dec. 12th Register at
griefshare@rileyhillbaptistchurch.org
Receive Christian-based suggestions and advice to
understand your grief, and to give you factual steps to
help relieve that grief and guide your grief journey.

Myth - Real Men don't show emotion or grief.
Fact—Grief occurs because you loved someone.
The mighty warrior King David, slayer of the giant
Goliath, grieved the loss of his son Absalom.

November is Alzheimer's Awareness Month

Memory loss that disrupts Dailey life may be a symptom of Alzheimer's or other dementia.

Alzheimer's a brain disease that causes a slow decline in memory, thinking & reasoning skills.

There are 10 warning signs & symptoms not to ignore. Seek professional helps if these disrupts life.

1. Memory loss that disrupts daily life, forgetting recently learned information.
2. Challenged in planning or solving problems; making occasional errors working with numbers
3. Difficulty completing familiar tasks at home, at work or at leisure.
4. Confusion with time or place.
5. Trouble understanding visual images & spatial relationships
6. New problems with words in speaking or writing, i.e, in conversations or vocabulary.
7. Misplacing things & losing the ability to retrace steps.
8. Decreased or poor judgment, making bad decisions.
9. Withdrawal from work or social activities.
10. Changes in mood & personally.

If you notice any of the 10 warning signs & symptoms in your-self or someone you know, don't ignore them. Get checked. Early detection matters as we continue to celebrate Alzheimer's Awareness Month.
