

Cancer Care Ministry

Riley Hill Baptist Church

In difficult times, God's answer is often a gift of **HOPE**. Our Journey of Hope Cancer Care Ministry at Riley Hill Baptist Church has been commissioned to bring practical support, courage, compassion and above all **HOPE** to every person in our congregation and community affected by this illness. A Cancer Care Minister (servant) will journey alongside the cancer patients and caregivers.

Cancer is different than other types of illness. Each case is different because each person's DNA is different. Cancer impacts the Spirit, Mind and the Body. But cancer cannot conquer **HOPE**. Hope rests in the spirit, impacts the mind and helps chart the course of the body. Our Journey of Hope Cancer Care Ministry understands the impact of cancer, how people react to it and how God has called His people to respond.
