

Cancer Care Ministry

Riley Hill Baptist Church

Cancer Care Ministry Training

Over 1.5 million Americans are diagnosed with cancer every year (American Cancer Society)

Our church is excited to introduce Our Journey of Hope, a biblically-based cancer care ministry open to anyone who is ready to make a difference in the lives of those affected by cancer. We want to bring practical support, courage, compassion and above all **HOPE** to every person in our congregation and community affected by this illness.

Register now for the Our Journey of Hope small group that will equip and empower you for this special outreach. The participants will take part in an eight-week ministry training (Jan/Feb 2017). Materials provided free of charge.

Small group topics will include:

- Why cancer care ministry is important
- What cancer is, and how it is treated
- The impact of cancer on spirit, mind and body
- What effective and compassionate ministry looks like
- Emotional, spiritual and physical needs of those dealing with cancer

For more information or to register, please send an email to cancercare@rileyhillbaptistchurch.org or contact Krista Hinson or Sonya Jones.

Be devoted to one another in love. Honor one another above yourselves. Never be lacking in zeal, but keep your spiritual fervor, serving the Lord. Be joyful in hope, patient in affliction, faithful in prayer. Share with the Lord's people who are in need. Practice hospitality. – Romans 12:10-13 NIV
