Pray for our Essential Workers
and First Responders

Reaching Out to The Community

It's Tax Season Again

Please contact Administrative Assistant to receive your RHBC 2020 Contribution Statement.

GriefShare, a weekly, video-based support and discussion group, designed to encourage hope, help and healing will begin its next cycle of sessions at Riley Hill Baptist Church via Zoom on Thursdays from 7:00 to 8:30 pm, March 4 to May 27, 2021. The group is open to anyone dealing with the passing of a loved one. We ask that you call or email to register at least the day before the session so proper preparation can be made. Please contact the church at 919-365-5277 or email griefshare@rileyhillbaptistchurch.org to register and/or for more information

“From the RHBC Health Ministry”

April & May are Mental Health Awareness Months

Both April & May are Mental Health Months. It is stated that 1 in 5 Americans live with a mental health condition. Mental health is an essential part of wellbeing, especially during this pandemic. Mental “illness” Prolong symptoms can include: Feelings of sadness longer than 2weeks; extreme mood swings not knowing why; worry & anxiety out of control most days with extreme outbursts for several weeks; sleeping too much or too little; start using drugs or alcohol to self medicate & thoughts of self harm or suicide. Mental “health” tips include: Recognizing the problem; taking time to relax practicing deep breathing, mindfulness, meditation, soothing music & prayer: limiting media exposure, & staying in contact with family & friends. Mental health is an essential part of wellbeing just like a healthy diet, proper sleep, regular exercise & stress reduction practices. During these months, we must continue efforts to reduce the stigma of mental illness & seek help as we continue to practice the CDC guidelines of the 3Ws.
