start at 10:00am.

GRIEF  SHARE

GriefShare, a weekly, video-based support and discussion group, designed to encourage hope, help and healing sponsored by Riley Hill Baptist Church will begin its next cycle of sessions virtually using Zoom on Thursdays from 7:00 to 8:30 pm, September 2 to December 2, 2021. The group is open to anyone dealing with the passing of a loved one. We ask that you call or email to register at least the week before the session. Please contact the church at 919-365-5277 or email [griefshare@rileyhillbaptistchurch.org](mailto:griefshare@rileyhillbaptistchurch.org) to register and/or for more information.

“From the RHBC Health Ministry”

November is National Diabetes  
Awareness Month

The month of November is a reminder for one to take personal responsibility towards better health, with a focus on Diabetes Awareness. African Americans are 60% more likely than non-Hispanic white adults to be diagnosis with Type II Diabetes; 3.5 times to be diagnosed with end stage kidney disease; 2.3 times more likely to be hospitalized for amputations & twice as likely to die from diabetes. Much of the risk for Diabetes among the African American population can be modified by making healthy life style changes with regular checkups, weight control, regular exercise programs, & improved nutrition. During this pandemic, it is important to continue to keep all medical appointments; remembering to be safe & continuing to follow the CDC guidelines.
